Introduction

Plymouth Drake Foundation provides grants to Plymouth's voluntary and community sector. As part of its grant giving programme, Plymouth Drake Foundation has built a partnership with Devon Community Foundation through a number of government 'Grassroot' initiatives. These initiatives have helped create a lasting grant giving legacy for Plymouth, which enables between £35,000 - £50,000 worth of grant funding to be distributed to voluntary and community organisations in Plymouth each year.

Plymouth Drake Foundation has 6 named funds that are managed by Devon Community Foundation. To apply for these funds applicants must visit Devon Community Foundations website.
