The Community Charity

Helping you
and your staff
**make a
bigger
impact**
in Plymouth

- Do you find it challenging to know who to support locally and do you end up supporting a national charity where you can't be sure if your contribution will make a difference locally?
- As a Plymouth based company, giving back to your local community is an important and rewarding part of your business activity.
- We are here to help you meet your company's local strategic aims for your Corporate Social Responsibility (CSR)
- We make it straight forward and easy for your company to make a difference locally and maximise your community investment.
- We also ensure that you get the publicity too.
- With CSR becoming an increasingly important part of your business activity, working with Plymouth Drake Foundation provides you with a professional, cost effective and local way to make more of your charitable donations.
